

Guatemala

January/February 2017

Dear Friends,

Smiles, tears and laughter all came through the joy of receiving the sacrificial gifts sent from our supporting churches. The Christmas outreach in the village of El Rincón de Pacaya was a great success. Over 200 children came to receive a special Christmas pack that was individually bought, packed, and sent by one of our supporting churches. While each child received the Christmas pack, they were also personally given the Gospel message and prayed for. Praise God, 23 made a profession of faith in Christ!!

As the New Year has begun, so has the activity in our Bible Training Center. Two men from our ministry have surrendered to full time ministry and are currently in our pastoral training program. God is also raising other men in the church that have a desire to learn more about Him, His word, and ministry. There are 12 men from our church and other village pastors who attend the seminary. It is exciting to see the future of the Guatemalan church developing right before our eyes!

Please continue to keep our family in your prayers as we live and minister cross-culturally. Pray for Jonathan as he preaches and teaches in the seminary every week. For Joanna as she continues her language through August of this year. For Piper as she studies in first grade and Kamden who will begin preschool in August. Please pray for continued health as we work and that God will use us and bless our ministry and the people we have the opportunity to minister to.

Thank you for your prayers & support as we partner for this great missionary endeavor.

Serving together,

Jonathan & Joanna Liggelt
