

Guatemala

March 2015

Dear Friends,

Hello from Guatemala City, Guatemala! Praise God, we arrived safely on Thursday, March 12th! There were no flight delays and Piper and Kamden did great. Our only "problem" was one lost bag, which the airline delivered the next day.

Piper is adapting very well and has enjoyed playing with the Guatemalan children. She was very brave on her first Sunday and wanted to attend children's church all by herself. Kamden has yet to meet a stranger and runs around greeting everyone he sees. However, instead of saying, "Hola;" he happily shouts, "Olaf!"

All the necessary documents for permanent residency arrived before we left the states and we will soon begin the application process. It is very time consuming and expensive, but we will be working with a lawyer through the entire process. He has helped numerous other missionaries and teachers obtain theirs, so we are thankful to have him assisting us.

As we begin a new chapter in our lives, God has opened many doors and allowed us to make new contacts and friends. We are in our home, but our shipment was delayed at least a week and we will be without our own internet for at least a month. Please keep us all in your prayers as we make this new transition.

It is necessary that we begin language school soon, but we do not have the funding to do so. We have received a portion, but the total cost remaining is **\$15,244**. Can you help us? Please pray that this need can be met within the next month so we can begin language school without any delays. Until this time we will be working with a private tutor.

Thank you to Pastor Chris Kondracki and Southside Baptist Church in Dover, DE for giving towards our language school costs this past month. We are grateful for your sacrificial giving.
