

# Guatemala

May 2015

Dear Friends,

Children are a great avenue to connect with people and to share the love of Christ. Every evening, parents and children flood the streets of their neighborhoods; and while children play, parents talk. It is a wonderful time for our family to make friends and connections. Edgar and Stephanie are a young Guatemalan couple with two small children. Our children love to play together and we enjoy the adult interaction. Edgar professes to be saved but has concerns for his wife. Stephanie is Catholic and strong in her faith. Please pray that through our growing relationship with them, Stephanie will come to put her faith in Christ alone.

This past month has been very successful for language classes. Jonathan passed his first level of Spanish with an A. Praise God! What normally takes 100 class hours, he was able to do it in 45. God has blessed us with a great tutor who can come into our home at a very inexpensive rate. She also teaches at the language school that we are hoping to attend when the money is raised. Please continue to pray that we will be able to understand and effectively use what is being taught. If you would like to help us with language school, we have received a portion of the costs, but are still lacking **\$15,000**.

Donations can be sent to:

We received 100% of all donations that are sent in our name.

**Thank you** for your prayers & support  
as we partner for this great missionary endeavor.
