

Guatemala

July/August 2017

Dear Friends,

Rainy season has come and soaked the lands once again. Where there once was dust and cracked dirt, there is mud and grass. Where there once were shriveled, thirsty crops, now stands a radiant and strong harvest. The rivers and streets are running full daily and the lush trees that cover the mountains and hills of Guatemala are the most beautiful, brilliant color of green. It is amazing to watch as God's blessings fall in abundance to sustain, grow and beautify His creation.

Just as the steady rains, God's blessings also continue to saturate His work here. We praise Him as He continues to call people to His service. A young man, Henry, whose family has been attending the church from the beginning and who has been enrolled in our seminary over the past year, has surrendered to serve as the youth leader of the church in Pacaya! This was an answer to prayer! We are thankful for Henry's willingness to follow God's call on his life. This is more fruit that is added to your account as you pray for and support this ministry!

The process of a new church plant is beginning in San Mateo! We ask that you pray for the evangelistic events that will be taking place over the next couple of months as we aim for the first official services to begin in late September. One of our needs, for speakers has been completely met! Praise God! We are still in need of a screen, chairs, and supplies. Any financial donations would be a tremendous blessing and would allow us to continue to effectively share the Good News of Jesus Christ.

August brings the start of a new school year for our children. They keep growing like the green grass here. Piper is entering second grade and Kamden is starting school for the first time in Pre-K! It is a big transition in his life as he has never left our side. They both love their school and we are grateful for the Christian education and environment that they are growing up in.

Finally!! After more than two years of waiting, working, filling out forms, and paying countless fees, we have been granted our permanent residency visas! Thank you for your prayers over this long process.

Thank you for your prayers & support as we partner for this great missionary endeavor.

Serving together,

Jonathan & Joanna Liguett
