

Guatemala

July 2014

Dear Friends,

We hope that you are getting some relief from the summer heat. We have had a busy summer calling and booking churches for the fall and gathering information for our paperwork to move to Guatemala. This summer, Jonathan has also had the opportunity to preach and help out with VBS.

As we get closer to our target date to leave for Guatemala, January 12, 2015, we are praying for God to meet our current needs. First, we have lost some support since returning to the states and we need to raise 10% of our new goal before January. Please pray with us that God would bring us new financial and prayer partners and that the previous supporting churches might catch this new vision to reach lost souls and plant churches in Guatemala. Secondly, we need to raise funds to ship our belongings to Guatemala and for language school. Will you please pray with us?

Piper having fun at VBS

We are excited about the wonderful language school that we visited in Guatemala. We will be able to enroll before moving over and begin one-on-one classes immediately. We also visited a great nursery/preschool to enroll Piper and Kamden in while we are in language school where they will also receive a 50 minute Spanish lesson each day. We are thankful that Joanna took Spanish classes in both High School and College and will pick it up again very quickly. This will make our transition easier when we arrive in Guatemala.

Gratitude fills our hearts for the many ways in which the Lord is blessing and leading us through this transitional time in our lives. One of those blessings is the lesser amount of paperwork required to obtain residency in Guatemala. We will not need to get a special visa or find a sponsoring agency. This will be a much quicker and easier process.

Thank you for your prayers & support
as we partner for this great missionary endeavor.

Jonathan & Joanna Liggett

again unto them,
saying, I am the
light of the world:
He that followeth
me shall not walk
in darkness, but
shall have the
light of life.*
