

Guatemala

August 2014

Dear Friends,

Preparation, preparation, preparation! Many decisions must be made in the coming months as we prepare to leave for Guatemala in January. Most of those decisions (where to live, what vehicle we will have and where to attend language school) are based on the financial needs that must be met by January.

I want to thank you for your continued prayers and support during this time of transition for us. We have been very encouraged by the letters and e-mails that we have received and we are happy that you share in our excitement about what God is doing in our lives. Thank you! It has not been easy, but we are committed to serving God and walking the path that He has for us. We are grateful that He had sustained us and given us grace to take each step, in faith.

While in Italy, we lived very frugally, careful to be good stewards of what God had provided. Because of this, we were able to bring our belongings back from Italy without burdening our churches for assistance. However, with another move coming so quickly and the loss of some monthly support, we need your help.

The two areas in which we need assistance in are shipping costs and language school. First, we will be shipping a container and a vehicle to Guatemala. This option is a great deal cheaper than purchasing new furniture and vehicle upon our arrival. The total cost for the move is \$8,250. Second, we will start language school immediately after arriving in country. The total cost for Joanna and I to attend a year of school will be \$18,000. Please pray that we can raise these costs before leaving in January.

We have contacted most of our supporting churches already to present these needs. We are excited that God moved one church to give \$500 gift towards our moving costs. What a blessing and encouragement! We are also saving as much as possible for these expenses but we cannot do this without you. A gift of any amount would be a blessing. Thank you!
