

Guatemala

September/October 2016

Dear Friends,

Rain, rain, rain, and more rain has been the story of the last two months as rainy season is in full effect. Through all the rain and mud, God is continuing to build his church in Guatemala! This past month we had our first baptismal celebration service at the church plant in El Rincón de Pacaya. The baptisms took place in a local spring where the women of the village go to wash their clothes. It was an exciting Sunday and a wonderful opportunity to witness to the community as these 5 believers literally made a public profession of faith and a commitment to follow Christ in front of their neighbors and other members of the village. Following the baptismal service, we celebrated with a church cookout and a time of fellowship. Over the following week, many families have decided to join the church. We praise the Lord and rejoice in His work.

October 1st was Children's Day here in Guatemala and we enjoyed the opportunity to celebrate with them at church the next day. The entire church prayed over the children, Jonathan taught them in children's church and we ended by treating them with donuts.

Joanna's language studies have continued to advance and she will complete her second stage of Spanish this week.

Piper and Kamden are doing well and are enjoying making new friends in the village of El Rincón de Pacaya.

Thank you for your prayers & support as we partner for this great missionary endeavor.

Serving together,

Jonathan & Joanna Liggelt

“For so hath the Lord commanded us, saying, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth.”

~ Acts 13:47 ~
