Liggett Family Prayer Letter: September/October 2017

CHILDREN'S DAY

October 1st of every year is a special day in Guatemala. It is Children's Day, a day set aside to celebrate children. Many children here don't have much to celebrate, as they suffer from neglect, abuses, and lack of basic necessities. But still they are children. They love to laugh, love to play, and love to be loved. This special day is a key event for the church as it allows us to really go above and beyond to show some of these kids that there is a love and a hope that is incomparable. This October 1st, the church in Pacaya tried to do just that. 150 children along with a few moms came to celebrate the life of these children. It was a day of laughter with games, clowns, music, and of course, The Gospel! Follow up to each child and family will now be the priority. Please pray that this event will allow more open doors to win and disciple these precious souls.

SUPPORT

As mentioned in past letters, we are still in need of current monthly support. As support has slipped away over the past couple of years through a variety of factors such as financial difficulties in churches or changes to missions programs, we have felt the impact in our ministry needs. We are launching a new campaign to get an additional 20 supporters at \$50 a month. Please consider being ONE of the 20 we need. Each church, individual, and family makes a huge impact in our ministry.

We need YOU!

MISSIONS TRIPS!!!

There is no better way to spread a passion for global missions in your church or group than by stepping foot on foreign soil to personally see what God is doing. Several churches have contacted us about coming down on a mission trip, checking out the ministry and lending a hand in furthering God's work here in Guatemala! We are now planning for 2018 and would love to see you. If your church or group is interested in a missions trip, we would LOVE to speak with you about the possibilities!

INDEPENDENCE DAY

September 15th is Guatemalan Independence Day. It was a great blessing that Joanna's parents were able to come down for a visit that week. The joys of serving God in a foreign land are numerous, but the distance from family is one of the difficulties. To be able to hug, laugh, and enjoy a meal together is an encouragement to our hearts!

Thank you for your prayers & support as we partner for this great missionary endeavor.

Serving together,

Jonathan & Joanna Liggett
